Please call (970) 240-1800 to make your reservations.
When making your reservations, tell the desk clerk that you are attending the Colorado Wool Growers Association Convention (Do not call 1-800-holiday to make reservations)

The CWGA convention rate is only available until JUNE 16th so make your reservations early! The reservation deadline is non-negotiable, so if you make your reservation after the deadline you will be required to pay a higher lodging rate than our convention rate, if rooms are still available

*** Although there are a lot of hotels in Montrose, lodging is limited in July due to summer tourists. Make your reservations early! In years past, convention participants that have waited until the last minute to make reservations have had difficulty in finding available rooms.***
